

TOWNSHIP OF ALGOMA COUNTY OF KENT, MICHIGAN

PUBLIC NOTICE IS HEREBY GIVEN that the Planning Commission of the Township of Algoma will hold a public hearing on January 19, 2021, at 7:00 p.m. at the Algoma Township Hall, 10531 Algoma Avenue, N.E., within the Township, to consider and receive comments on a proposed amendment to the Algoma Township Zoning Ordinance. The amendment would revise Section 4.24 of the Township Zoning Ordinance with respect to the fall height of non-commercial towers which do not exceed 120 feet. The amendments would allow for a waiver of the requirement that such towers shall not be located closer to a property line than its height by the Township Zoning Administrator and Township Tower Consultant based on a finding that the engineering and construction of the tower is such that neighboring properties would be protected in the event of a fall and that the visual impact is compatible with neighboring properties.

The text of the proposed amending ordinance is on file at the Township Hall. All interested persons may attend the public hearing and comment on the amendment. Written comments concerning the proposed zoning ordinance amendment may be submitted to the Township office, to the attention of the zoning administrator, up to the time of the public hearing.
